Dear Friends,

Thank you so much for your wonderful donation of food for our hospital patients, who are all underprivileged animals from our surrounding townships. Your kindness is appreciated more than you will ever know!

Our mission is to **PROTECT ANIMALS, HEAL THEIR SICKNESS, FIGHT IGNORANCE** and **EMPOWER OTHERS TO DO THE SAME** in underprivileged areas, and the provision of professional veterinary care in areas where previously none was available, combined with our animal care education programmes for adults and children, is **changing the face of animal welfare.**

Thank you, for being a part of this!

Warm Regards,

Sandy
