To all the wonderful people at Kyalami Estates

**Re: Thank you**

Heartfelt thanks for the wonderful items donated in December 2011. We received an assortment of useful items including stationery, school shoes, lunch boxes, clothing and books. All of these items will go to orphaned and/or vulnerable children and the stationery will form part of our "Back-to-school" campaign in which each of the children will receive a basic stationery supply. Those most in need will also receive a pair of school shoes.

Thank you for making this possible!

Kind Regards

Charissa Davis and Team
